In this video, popular American priest, Fr Mike Schmitz poses the question we all ask: "What should I do with my life?" It's a question on many hearts, maybe even our own. In this video, Father Mike Schmitz gives some direction that can lead to an answer for ourselves or someone we know. He shares how a vocation is more than just figuring out whether we're called to married life or religious life, and it's about more than just finding out what we like to do. As he breaks down three different types of vocation we all have, he draws a practical path we can follow to pursue holiness.
